1992 Subject Index

A

Abusive men, characteristics of, 133
Acyclovir, in adult chickenpox, 131
Adenoma, toxic, 8
Adolescents, response to pain, 132
Adult day care, 107
Alaska, Community Health Aide Program, 89
Alcoholism, adult children of alcoholics, 22
Allison's Governmental Politics Model, 27
American Academy of Nurse Practitioners, 1991 State Awards for Excellence, 33
American College of Rheumatology, criteria for classification of systemic lupus erythematosus, 137
Amish community, health beliefs and practices of an Old Order Amish family, 117
Asthma, in adults, pharmacologic therapy, 123

B

Battered women
  identification and assessment, 133
  psychosociocultural perspective, 133
Bedsores. *See* Pressure ulcers
Beta$_2$ adrenergic agents, in adult asthma, 123
Body temperature, basal, in infertility assessment and management, 53
Book reviews, Wounds and Lacerations Emergency Care and Closure, Alexander Trott, 44
Braden Scale, prediction of pressure sore risk, 63
Bureau of Health Professions, 136. *See also* Division of Nursing

C

CA-125, serum, screening for ovarian cancer, 36
Carolina Self-Regulation Inventory, 58
Chickenpox, in adult hospitalized patient, controlling spread of, 131
Chondromalacia patella, 77
Cognitive problems, potentially reversible, in elderly female, 134
Cold analgesia, for reducing pain-distress of injections in children, 95
Community Health Aide Program, Alaskan perspective, 89
Corticosteroids
  inhalation therapy, in adult asthma, 123
  oral, in adult asthma, 123
Cromolyn sodium, in adult asthma, 123
Cultural awareness, health beliefs and practices of an Old Order Amish family, 117

D

Decubitus ulcers. *See* Pressure ulcers
Division of Nursing, relationship to nurse practitioner education, 136
Drug therapy
  for adult asthma, 123
  hypothyroidism and, 135
  prescriptive authority of nurse practitioners, comparative analysis of NPs with and without prescriptive authority, 71

E

Economic issues
  comprehensive health care reform, 45
  Medicare physician payment reform: implications for nurse practitioners, 38
  Medicare reimbursement for nurse practitioners, 129
Education
  current trends in history taking and physical examination: teaching dentists physical assessment, 126
  Division of Nursing and its relationship to nurse practitioner education, 136
  nurse practitioners as teachers of dentists, 126
Elderly. *See* Geriatric population
Electromyography, in stress vs. mixed incontinence, 15
Endometrial biopsy, in infertility assessment and management, 53
Ethical issues, inside story: a simulation game on ethical, legal, and political decision making in health policy for nurse practitioners, 82

F

Faces Scale, assessment of reduction of children's pain/stress associated with injections using cold, 95
Federal Employees Health Benefit Program, 27

G

Geriatric population
  adult day care, 107
  elder abuse and neglect: relationship to health characteristics, 47
  hypothyroidism in, 135
  primary health care of elderly women, 134
Global Mood Scale, assessment of reduction of children's pain/stress associated with injections using cold, 95
Goiter, toxic multinodular, 8
Graves' disease, 8
  radioiodine therapy, hypothyroidism and, 135

H

Hashimoto's thyroiditis, hypothyroidism and, 135
Health care
  in frontier setting, Alaskan perspective, 89
  health beliefs and practices of an Old Order Amish family, 117
  primary health care of elderly women, 134
Health Manpower Act, 136
Health policy
  Division of Nursing role in, 136
  inside story: a simulation game on ethical, legal, and political decision making in health policy for nurse practitioners, 82
Health Professions Educational Assistance Act of 1963, 136
History taking
  current trends, teaching dentists physical assessment, 126
  in elderly female, 134
  in infertility assessment, 53
  in stress vs. mixed incontinence, 15
Hyperthyroidism, 8
Hypothyroidism, 135
Hysterosalpingography, in infertility assessment and management, 53

I

Illness, self-management of recovery: implications for nursing practice, 58
Immunization, varicella zoster immune globulin, 131
Infant, response to pain, 132
Infertility, assessment and initial management, 53
Injections, pain/stress reduction, in children, cold analgesia for, 95
Iodine, dietary intake, hypothyroidism and, 135

L

Laboratory tests
in hyperthyroidism, 8
in hypothyroidism, 135
in infertility assessment and management, 53
Laparoscopy, in infertility assessment and management, 53
Legal issues
inside story: a simulation game on ethical, legal, and political decision making in health policy for nurse practitioners, 82
prescriptive authority of nurse practitioners, 71
Legislation
Federal Employees Health Benefit Program related legislation, 27
Health Manpower Act, 136
Health Professions Educational Assistance Act of 1963, 136
history of Division of Nursing, 136
Medicare reimbursement for nurse practitioners, 129
Nurse Training Act of 1964, 136
proposed universal health plans, 45
Levothyroxine, for hypothyroidism, 135

M

Medicare
physician payment reform: implications for nurse practitioners, 38
reimbursement for nurse practitioners, 129

N

Nurse Training Act of 1964, 136

O

Oucher Scale, assessment of reduction of children's pain/stress associated with injections using cold, 95
Ovarian cancer, screening for, 36

P

Pain
acute, children's response to, developmental approach, 132
injection pain in children, cold analgesia for reduction of, 95
Pediatric population
children's approach to acute pain, developmental approach, 132
reducing pain-distress of injections using cold, 95
Physical examination
current trends, teaching dentists physical assessment, 126
of elderly female, 134
in infertility assessment, 53
in stress vs. mixed incontinence, 15
Point of View, writing for publication, 1
Political issues
game of politics, Federal Employees Health Benefit Program, 27
have you talked with your legislator recently, 79
inside story: a simulation game on ethical, legal, and political decision making in health policy for nurse practitioners, 82
Postcoital test, in infertility assessment and management, 53
Preschooler, response to pain, 132
Prescriptive authority, comparative analysis of NPs with and without prescriptive authority, 71
Pressure ulcers
management strategies, 101
prevention strategies, 63
staging criteria, 101
Psychosocial issues, in infertility assessment and management, 53
Publication, 1
Pulse rate, assessment of reduction of children's pain/stress associated with injections using cold, 95

Q

Question and Answer
chondromalacia patella, 77
pharmacologic therapy for adult asthma, 123
screening for ovarian cancer, 36
systemic lupus erythematosus, 137

R

Radioiodine therapy, in Graves' disease, hypothyroidism and, 135

S

Self-management of recovery, 58
Skeletal disorders, chrondromalacia patella, 77
Smoking, stress and tobacco addiction, 111
Stress, tobacco addiction and, 111
Substance abuse, stress and tobacco addiction, 111
Systemic lupus erythematosus, 137

T

Theophylline, in adult asthma, 123
Thyroidectomy, subtotal, hypothyroidism and, 135
Thyroid gland, normal physiology, 8, 135
Thyroiditis
Hashimoto's, hypothyroidism and, 135
subacute, 8
hypothyroidism and, 135
Thyrotoxicosis factitia, 8
Tobacco addiction, stress and, 111
Toddler, response to pain, 132

U

Ulcers/ulceration, pressure, 63, 101
Ultrasonography, screening for ovarian cancer, 36
Urethral culture, in infertility assessment and management, 53
Urinary incontinence, stress vs. mixed, discriminating factors, 15
Urodynamic evaluation, in stress vs. mixed incontinence, 15

V

Varicella zoster, in hospitalized patient, controlling spread of, 131
